Now

wayari ----- Founder • Since 2026

A self improving way to code. Ship PRs while you sleep, merge them with your eyes open.

nooli ----- Head of Product • Since 2026

Lessons for three to five year olds that adapt to the child, on iOS.

okara ----- Design • Since 2026

An AI CMO that drafts and ships marketing work. I design the product.

bevel ----- Founder • Since 2026

A 3D art team you can hire by the job, at published rates.

Also mine

bidframe ----- Founder • Since 2026

Reads a tender and flags what would disqualify your bid, each linked to its clause.

weld ----- Founder & PM • Since 2026

A marketplace fixing how Roblox studios hire developers. Waitlist is live.
